

CRUSHER CATEGORY A42 **RED TRAINED OPERATOR TECHNICAL TEST FEES**

Candidates must undertake a theory & practical element to obtain the card. These elements can be carried out on separate days or on the same day (same location). The fees are dependent on how you choose to carry out the Technical Test.

Please note: The following fees include the associated costs of:

- Tester Costs (*travelling expenses to be invoiced on completion*)
- CPCS Notification Fees (*normal working hours only*)
- CPCS Card Fee

CPCS THEORY TEST FEES

If taken in advance of the Practical Test, the operator must attend the NDTG Test Centre for this element of the Technical Test.

£100 per candidate

PLEASE NOTE: It is recommended that operatives undertake their Theory Test in advance of the Practical Test. If they do not pass the Theory Test then they will be unable to proceed onto the Practical element.

CPCS PRACTICAL TEST FEES

£425 per candidate

(Please note: a minimum of 2 operatives must be booked for the practical test per day/location)

The Tester is able to carry out a maximum of 3 Full Technical Tests (theory & practical elements) in one day (all located on same site).

CPCS FULL TECHNICAL TEST FEES

(Theory & Practical carried out on same day/same location)

£500 per candidate

(Please note: a minimum of 2 operatives must be booked for the practical test per day/location)

(All prices are exclusive of VAT)

PLEASE NOTE: EMPLOYERS MAY BE ABLE TO CLAIM BACK GRANTS FOR ALL ELEMENTS OF THE TECHNICAL TEST. PLEASE CONTACT CPCS FOR FURTHER DETAILS.
