

## **DEMOLITION PLANT CATEGORY A65** **RED TRAINED OPERATOR TECHNICAL TEST FEES**

**Please note: due to a shortage of A65 Testers the NDTG is only able to deliver the Technical Test to a limited service.**

**At present, both the Theory Test and Practical Test will be carried out on the same day.**

Please see the package price below:

1 Technical Test - £725 + VAT  
2 Technical Tests - £1000 + VAT

The above price covers the following costs:

- Tester Fees
- Theory Test Fees
- Practical Test Fees
- Notification Fees
- Card Fees

**Please note: Travelling expenses will be invoiced after the Technical Test has taken place. Mileage will be charged at 50p per mile. Overnight accommodation fees will also be charged if applicable. These will be agreed in advance.**

**At present, the Tester will only be able to carry out a maximum of 2 Technical Tests per day at any Endorsement.**

**Please note: if your operative(s) fails the Theory Test, he/she will be unable to proceed with the Practical Test. The full package price will still apply. Refunds will not be issued.**

**PLEASE NOTE: EMPLOYERS MAY BE ABLE TO CLAIM BACK GRANTS FOR ALL ELEMENTS OF THE TECHNICAL TEST. THESE CURRENTLY STAND AT £100 FOR THE THEORY TEST AND £725 FOR THE PRACTICAL TEST. PLEASE CONTACT THE CITB FOR FURTHER DETAILS.**
